

CHANGE

Easier Said Than Done **Enlightened Change for Smart Businesses**

No matter your industry, the future guarantees more, not less change. Smart businesses learn how to predict change rather than wait for it to happen. Smarter businesses get their leaders ready to manage change. The smartest businesses work to make each employee understand and feel more comfortable with the changes they will inevitably face.

Join Chris Clarke-Epstein, CSP as she helps us explore the three natural reactions to change, shares new perspectives on risk taking, and challenges us to identify and improve the skills necessary to lead during times of change.

This custom designed program filled with Chris Clarke-Epstein's well-known style—a balanced blend of humor and substance—will add to your meeting as an exciting opportunity for learning, involve attendees in positive participation, and ready them for practical action when they return to their offices.

Based on the needs of your group and the length of your program, **Easier Said Than Done** may include the opportunity for participants to:

- Learn the three ways change happens
- Discover why examined failure is critical to success
- Experience the seductive power of the Comfort Zone
- Evaluate their Successful Change Quotient
- Have fun
- Develop an individual action plan to turn today's ah-ha moments into practical action
